

CLOTHES DOCTOR

LONDON

Lulu O'Connor
Founder & CEO

"Our relationship with FSE has been invaluable, not only in providing finance but also being a present investor who cares about our business."

Clothes Doctor's eco-friendly laundry care products are crafted to nourish and protect your wardrobe, helping their customers love their clothes for longer.

Sector: sustainable retail

Funding: £1million from Cornwall & Isles of Scilly Investment Fund

Supporting Clothes Doctor on its path to global expansion.

The investment has already funded:

- Increased resourcing and sourcing capacity to support 140% yoy growth
- Upgrades to online retail capability
- Enhancement of targeted marketing
- Job creation

More than money.

Meg Salt
Investment Manager
The FSE Group

“Clothes Doctor’s growth has unlocked new opportunities to champion proper clothing care, empowering people to care for their clothes the right way.”
